Sir/Madam:

In accordance with 37 CFR § 1.26, Applicant respectfully requests a refund of the fees outlined below. On February 1, 2008, Applicant electronically filed via the EFS Web a Continuation Application of the above-identified application Serial No. 09/706,055 and authorized \$1030.00 payment in fees for the application. A copy of the electronic acknowledgement receipt showing that \$1,030 was submitted with the February 1, 2008 filing is attached hereto. Thus, the Patent Office charged the Deposit Account No. 50-2638, \$1,030.00 in fees (Attorney Docket 054317-016800).

However, the USPTO never recognized that the Continuation Application was filed and no Application Number was ever assigned to this Continuation Application. Despite repeated calls to various branches of the USPTO, Applicant has never been able to get the USPTO to recognize the filing of this Continuation Application. Applicant was thus forced to refile another
